***This event is in support of Herts & Middlesex Wildlife Trust's campaign
to save Balls Wood Nature Reserve.***

HMWT must raise £150,000 before the end of March to buy this wonderful 58 hectare site near Hertford Heath – not just for the local community, but for future generations of people - and wildlife. £150,000 will enable HMWT to unlock other sources of grants and financial support necessary to reach the full purchase price.

If HMWT cannot raise this money, the wood and all its wildlife and peace and tranquillity will be sold to another buyer and its future use is very uncertain.

Please support this event and help us save a beautiful place.
